

It has been almost a year since we signed up for the "No-Call"list in Indiana. We have our home back!!!!!! "No-Call!" means "No-Call!". We come home from work, eat our dinner and are not interrupted constantly by, "Hello. This is \_\_\_\_\_ and I am calling for \_\_\_\_\_. I would like to ask you \_\_\_\_\_." Please do not let the telemarketers begin calling my home again!!!!!!!!!!!! Do not implement any proposal that would lessen Indiana's Telephone Privacy law. Home needs to be a refuge from the world we are living in today, please keep my refuge free from the constant ring of the telemarketer. Thank you.
